Pamela's Post

October is my favorite month of the year when hot summer nights are replaced with cool breezy ones. It's also my birthday month and as many of you know I celebrate it all month long! This year it's a BIG one as I'm turning 65, bring on Medicare!

I know many of you have heard, and yes, it is time for my journey with Glenwood Place to come to an end. It is time for me to slow down, but I can't just go from 100 to 0! I have been offered a part time position with Iowa River Hospice, and it feels like the perfect fit for me in this season of life. I will be their Volunteer Coordinator, and I look forward to continuing my work with those who need compassionate, loving care. Much like Glenwood Place, Iowa River Hospice provides just that to our community of Marshalltown. It has been a privilege to have been part of this community for the past 10 years. You have become my family; you have seen me through so many of my major losses in my life, the death of my parents, my sister Deb, my brother-in-law Jim, and my brother Patrick. Of course, there has been some super great celebration days as well. The weddings of three of my children and the birth of all of my fabulous grandchildren. Professional milestones: being awarded Director of the Year for our company in 2013 and 2020, community of the year in 2014, and being the top fundraising (Alzheimer's Association) community in our company in 2019 (and well on our way for 2021). I want to thank each one of you, my residents & their families for all your support throughout the years, and especially during this pandemic. Each and every one of us kept Glenwood Place healthy and safe; you listened and did as I asked you. I leave you with an incredible team at Glenwood Place, they will take great care of all of you! I promise not to be a stranger. I will be seeing you.

P.S. The newsletter is always late because of me.

Love you all,

Pamela

Stan Brown Memorial Caboose

Lenora, with her family by her side, honored her late husband, Stan, who was responsible for bringing the Mega-10 caboose to Marshalltown. On August 28th, the caboose was officially put in his name. Thank you, Lenora and family, for letting us share in this special moment.

The plaque reads:

This caboose donated to the city by the Union Pacific Railroad is being named in honor of former mayor, Stan Brown. Mayor Brown served Marshalltown for four terms beginning in January 1984. His pride in Marshalltown was evident in his positive, upbeat attitude in presenting Marshalltown. He raised his family in Marshalltown, and was always a strong supporter and promoter of Marshalltown. We, his family, are so proud and honored to have the caboose named "The Stan Brown Memorial Caboose".

DARE TO Dream

Loren's 88th Birthday Surprise

Glenwood Place was thrilled to surprise Loren on his birthday with a special trip to his family farm in Van Cleve. We loaded up in the bus and kicked up some dust.

Loren was a life long farmer, and with his birthday falling during harvest, each birthday was spent in the fields. Well, we thought no sense in changing that tradition now! Loren's son was out harvesting, and took a break to fill dad in on how things are going in the field. Check out our Facebook page to see a video of Loren's trip home!

Jim Goes Golfing

As many of you know, we just wrapped up our first annual Putting Fore Purple charity golf event benefiting the Alzheimer's Association. While planning our event, we knew our golf outing was the perfect time to treat our resident, Jim. Jim, 93 years young, has always been an avid golfer and enjoys watching his grandkids golf meets, but most importantly, his sweetheart lives with dementia. An Alzheimer's fundraising event plus golf, equals a feel good day for Jim! Go to our Facebook page to see Jim's day captured in a video!
