

Resident Engagement Idea of the Week

This Week's Idea: Celebrate a Campus Spirit Week

Community and Team Member: The Pillars of Prospect Park- Erin Erdahl, Active Living Director, Lara Hermanson, Dimensions Manager, Sarah McGuire, Childcare Director

The team at The Pillars of Prospect Park got together and planned a Spirit Week for their campus in celebration of Homecoming like what is done at so many schools across the nation this time of year.

See the attached "Homecoming Week" list of special days, events and activities they came up with.

Instructions:

How can you make this happen at your community?

- **Choose a theme (ie: State Fair, Harvest Time, Christmas in July, Superbowl, ect.)**
- **Pick a Casual Dress theme for each day of the week**
- **Plan activities, intergen/LLL programs, special meals or snacks and entertainment that connect to the theme.**
- **Try and involve the whole community-staff included**
