

Revisiting The Trilogy SHIELD Program

As we head into the winter months, we remain committed to keeping our community safe – whether it's for you, your loved ones, or our employees. With the **Trilogy SHIELD Program**, we use **Sanitation, Health Solutions, Illness-prevention, Evidence-based Lasting technologies and Disinfection tools** to put this promise into practice.

Clean and Protected

Through our relationship with 3M, we're proud to utilize some of the highest-quality disinfection tools available to our industry – capable of identifying and eliminating pathogens in a matter of minutes. Among these is **40-A**, a solution that has been tested and recognized by the EPA to kill COVID-19 when used in accordance with the manufacturer's guidelines, and **Clean Trace**, which collects organic matter from our

surfaces and tells us where further disinfection efforts are needed.

The Power of UV-C Technology

The gold standard in hospitals, we're proud to employ the use of Arc - R-Zero's disinfection system that uses sustainable, high-power UV light to destroy 99.99% of surface and airborne pathogens without the use of chemicals.

With this program, not only are we protecting our communities from the hardships of today – we're making them prepared to meet the challenges of tomorrow. For more information about how we are keeping our residents and families safe, please contact a member of our team.

Happy Birthday!

ACTIVITIES CORNER

The Campus Tailgate Retreat was a hit. What team do you think won?

Executive Director Corner

Welcome to November!

I hope you all had a

great time at our fourth and final Theme Week of the year! It was incredible celebrating Germany with so many familiar faces - and getting to try out Chef Beck's Ruben egg roll. Shoutout to our Life Enrichment and Dining teams for truly saving the best for last.

This month, we celebrate National Family Caregivers Month – a time to recognize all that family caregivers do to supporting their senior family members, and who continue

to keep us warm with their unending love and support. Talk to any member of our team about the multitude of resources we provide for family caregivers, as well as our Long-Term and Short-Term care options that can lift some of the weight from their shoulders.

With Thanksgiving just around the corner and the holiday season nearly upon us, there's never been a better time to be a part of the Trilogy family. Let's have a great November!

Yours in Service,

Emily Wolf-Lewis
Executive Director
