Dream Flights honors WWII veterans

Non-profit Dream Flights is on a mission to serve our remaining WWII veterans who sacrificed for our country.

During Operation September Freedom, Aug. 1 through Sep. 30, 2021, Dream Flights will honor as many WWII veterans as possible with a free flight aboard a restored WWII era biplane.

Stopping in towns large and small across the US, Dream Flights will meet with veterans, hear their

stories, and fly them in an open cockpit biplane soaring to 1,000 feet. It's an experience Dream Flyers say they'll never forget.

Flights are free to WWII vets and are funded by sponsorships and donations. Pilots, crew members, and maintenance and support staff are volunteers.

THERAPY SUCCESS STORY: DONNA P.

"What motivates me in therapy is how you are all delightful, pleasant and very, very helpful.

I of course also want to get better. I can go home and see my kitty cat, Mittens. Fair Oaks therapy has helped me through my attitude as well as my body getting in shape to move better, so I can roller skate again.

I don't have one favorite exercise I've done. It's hard to pick just one. My experience with therapy is every time a therapist walks in my door, I'm greeted with a smile."
