Get Out and Vote

Election day is right around the corner and we want to encourage all of you to exercise your right to vote. Voting is one of the most important things that you can do for your country and community. Elected officials determine the rules and regulations that impact all of us on a daily basis.

[There are three ways you can register to vote.](#) You can register to vote online through Oct. 23, or you can register in-person at an early polling location or on election day ([enter your address for information on your nearest in-person voting location](#)). To be eligible to vote in Utah, you must be 18 years old and have one [primary form of ID or two forms of a secondary ID that prove your name and current residence](#).

The following resources can help you learn more about what will be on your ballot and the issues that are important to the candidates:

[Vote.Utah.gov](#) - enter your address to see a sample ballot, read about each candidate and see points for and against a variety of constitutional amendments.

Check Out Liberty Sky

Our newest property Liberty Sky is currently under construction at 151 South State Street in downtown Salt Lake City. The 21-story building, which is slated to be finished in early 2022, will be the first modern high-rise rental community in Salt Lake City. Follow our progress on Instagram ([@libertyskyslc](#)) and Facebook ([@libertyskyslc](#)).

How Can We Help?

During these unprecedented times, we took the step of waiving late fees from April through October to provide you with flexibility as we all navigated through so much uncertainty. **Beginning November 1, we will be reinstating late fees for rent.** If you are struggling with paying rent on time or having difficulties keeping up with your rent, please, let us know as soon as possible so we can help you with your options. We want to do everything we can, within reason, to work with you to find a solution. We're always here to listen and help you find assistance if needed.

Covid-19 Update

Utah leaders rolled out the Covid-19 Transmission Index earlier this week, [which uses local data to determine if restriction levels need to be high, moderate or low](#) based on case rates and ICU utilization. The Transmission Index replaces the previous color-coded guidelines.

The state asks anyone experiencing flu-like symptoms to get tested at one of the [testing locations throughout the state](#). There is assistance available if you are [currently uninsured](#).
