Staff Spotlight!

Devin has been the newly established Environmental Services Director since September. Ever since his first day here at the community, he has shown dedication, consistency, dependability, and integrity in his work ethic. The addition of Devin to the management team and community is the perfect cultural fit, just like the final piece of the puzzle. Ambitious and always smiling, Devin is willing to go the extra mile. We congratulate you sir on an award well deserved!

Kickapoo Indian dancer Rudy Vallejo of East Moline made an appearance and performance at Sunnybrook! "My grandfather talked about the eagle when I was a little man. At 9 years old, my grandfather wanted to give me my Indian name," Vallejo told the crowd. His first Indian name means "Vision of a Lion." As an adult, he changed it to "Eagle Dancer." Vallejo performed the eagle dance, bending his head, bells chiming and arms lifting as if in flight, when he gave his presentation about American Indian culture.

A Note From Jason:

With Sunnybrook at Mt. Pleasant welcoming the new management company Jaybird Senior Living December 1, 2021, Sunnybrook at Mt. Pleasant will be changing its name to Addington Place of Mt. Pleasant. We are excited for the changes coming. We will be updating residents and families as we gather more information. We all wish you a Happy Holiday Season.

Merry Christmas from the staff at Addington Place.

Best Regards, Jason Murphy, Executive Director

One of our new residents at Sunnybrook had a hidden talent up her sleeve and showcased it for everyone in the community. Improv shows are our favorite kind of shows! Without Melva and her music, life would "b" flat!
