The Birches at Harleysville is a personal care and memory care community that assists seniors needing help with activities of daily living. Three delicious meals are prepared by our chef daily and served in a comfortable dining room complete with relaxing music and the companionship of friends. Our robust activity calendar is designed to meet every resident's interest and activity level. The Birches offers a month-to-month lease, which includes housekeeping, laundry services, and transportation to medical appointments and other outings. Best of all, there are no long-term contracts or entrance fees. For more information, call 215-541-3700 or visit www.thebirchesatharleysville.com.
