Notes and Reminders

A reminder from Management: Please do not burn any candles in your apartment. No live flames are allowed due to the fire risk. Battery operated candles are a good substitute.

Note from Sue in Laundry: Please put laundry by the front door the night before your laundry day.

Feeling Sick? If you are not feeling well, please let a staff member know. We want to make sure everyone is happy, healthy, and COVID/Influenza free 😊

A note from Housekeeping: In January, we have a new housekeeper starting full time so housekeeping schedules may be altered starting Jan. 5th. Thank you for your patience and understanding.

Friends Make the Best Neighbors: Rachel is wondering if you have friends that might be ready for that next step in their lives? Maybe you yourself really want them to come live here with you! Go see Rachel if you have someone in mind and you could get \$1000 off one month's rent if your friend moves in!

Calling All Silverware!

If you happen to have any of the silverware or dining ware from our kitchen, we would appreciate if you would return it to the dining room so we can continue to use them during meal times.

The dining room is running short on silverware in particular.

Please check your apartments.

Thank you kindly.

Key Associate of the Month

January's Key Associate of the Month

This Month's Key Associate is Bisrat Gebreegziabher, Resident Assistant. Bisrat was nominated by Maureen. She was nominated because she always has a smile on her face, and is very patient when she works with all of the residents. If you would like to nominate a well deserving associate, please fill out a nomination form and give it to a Life Enrichment team member. Thank You!

We had some very special visitors in December, Santa and Mrs. Claus. As Grace and Louise are showing here, residents were very happy to have their picture taken with these special guests.
