Caught RED Handed

We are pleased to present our first Caught R.E.D. Handed to Gene, our Maintenance Coordinator. No matter what, we can count on him to do what needs to be done. Gene spent most of New Year's Day here at the community clearing snow from our sidewalks. It is a never ending task in Iowa to keep our sidewalks and drive clear, and Gene does a fantastic job at it. Responsive, Enthusiastic and Devoted are all qualities Gene has in abundance! Thank you for all you do!
