FEBRUARY DARE TO DREAM:

On Tuesday, February 15th a couple resident from Lawton Senior Living were excited as they prepared to attend a Broadway Show at the Orpheum Theater in Sioux City. The show they were able to catch was "South Pacific". Both Betty and Lois had an awesome time and enjoyed every bit of the show!

Lawton Senior Living News

Where did January go!

The residents enjoyed the New Years eve party. And were ready to welcome a new year. We are all hoping for a covid free year for 2022.

Enjoy some of the pictures from our New Years Eve Party!

Cold Weather Indoor Activities

When it is cold outside and no snow we decided to make some "Bling" snow flakes for our little Activities Celebration Tree. We decorate it for all the months with special memories or items that celebrate that month/season. Usually we pick the holiday of the month and that seems to be another way we enjoy it.

January it was snowflakes, February it is covered in hearts . Below are some photos to enjoy. Hopefully you will enjoy them as much as we enjoyed making them .

Dare to Dream

Brenda Brown is our Dare to Dream for JAN 2022. When speaking to Brenda and what was a big dream that she would like to do. She said, "my husband and I use to go to the Casinos". I think that would be something I would like to do. She told me you know I can't get there anymore I don't drive, and it was always kind of relaxing for me.

So, I went to Charlys, and she made it possible for us to get her there. We rented a wheelchair lift vehicle, and off to the Casino we went. It was Joel, the driver/Maintenance Coordinator and Myself the LEC. When we told her we were going to the casino she said, "Oh well, that will be fun!"

When we arrived at the Hard Rock in Sioux City, you could see the excitement building; when we went inside the casino Brenda was ready to Gamble. The first machine we went to she said, "Ok if we don't win on 10 dollars, we go to another one" and that is what we did. At the second machine, she was hitting bigger then the first, so she stated, "we will be here awhile". Suddenly, she hit a big win! She was so excited! When she had only 20 dollars left, she again hit the win, this one was minor as it was for \$79.00 and Brenda was so excited. When I asked Brenda "what would you like to do?" She said, "Oh, I better stay here awhile". So, she played to \$69.00 Then decided to try something new. At the next machine and was winning little so we moved to the next one. Brenda began to not win as much on that machine, so she decided to keep going and try to win more. Brenda ended her trip to the casino with only 86 cents.

But the fun and excitement she had while there was well worth it! Brenda said, "Oh well, that was fun!" It was amazing watching Brenda; she knew just how to play the games. She did tell Joel, "It is very nice of you to bring this old lady out for a day." When we returned home at Lawton Senior Living, Brenda was a happy Lady and it was a memory for all that were involved. The accompanying pictures are priceless.
