Cardio Drumming Class

Two things we know about our residents:
 1. They love staying active
 2. They are always up to trying new things

Combining those two facts, we decided to switch up our exercise routines with something new and exciting called **CARDIO DRUMMING!** Using giant exercise balls, laundry baskets, and drumsticks, you would be surprised with the rhythm that can be created!

Our residents had a great time during our test run class with Life Enrichment Coordinator, Meagan, confirming that we will definitely be adding cardio drumming into our weekly schedule! Come out and try it with us sometime!

Backstage Pass to Circa 21

Last month, our community theme was "Backstage Pass" and what fits that better than a trip to a musical theatre performance! Our ladies headed out to Circa 21 in Rock Island, IL to see the comedic drama, "The Play That Goes Wrong". It was a HIT! Our residents had an amazing time and it was so great to get out on the town for a day.

This month, our theme is "Grow With Us" and we have some very exciting activities planned, including our own chicken egg hatchery, garden club, and much more!

Cookies & Company

We love our sweets here at Addington but they're even sweeter when we get to spend time decorating them with friends and family, which is what made our cookie decorating and "Name That Tune" party such a great time!

Caring Corner Series

We know that families who are caring for loved ones with dementia struggle to know how best to live with this disease process. We want to provide you with some tools to make the best of a less than ideal situation. With the QR code to your right, you can scan to register for the Caring Corner's March virtual event presented by our management company, Jaybird Senior Living!
