

In Memory of Brent Kohere

October 15, 1960 - June 13, 2020

It is with a heavy heart and immense sadness that we share the news of Brent Kohere's passing. Brent was such an integral part of our Morgan Properties Executive Leadership team. As the Executive Vice President of Operations, he oversaw Property Management, Marketing, Leasing, and Training. During his time at Morgan Properties, Brent was instrumental in assisting the organization's strategic growth, doubling the size of its portfolio holdings, and growing its employee base to over 2,100 employees.

Brent worked in the multifamily real estate industry for over 35 years. Prior to joining Morgan Properties, Brent was a regional vice president and officer at Home Properties where he was responsible for the company's New York Metro, Chicago, and Florida markets. Throughout his career, Brent has been actively involved in all aspects of property management operations. He was a former President of the New Jersey Apartment Association (NJAA), a staunch supporter of the multifamily sector, and a highly respected leader within the real estate industry.

Morgan Properties sends its deepest condolences to the Kohere family. Brent is survived by his wife, Dian, and his three children Kyle, Leland, and Forrest. Everyone loved Brent and his kindness was contagious. We feel so fortunate to have known him, are appreciative of his contributions, and are devastated by his passing. Brent was a thoughtful, considerate, and compassionate leader. He will always be part of the Morgan family and we will honor his legacy forever.
