

StorageOne has over 29 years of experience in managing and operating self storage facilities in Southern Nevada and is looking for motivated individuals with customer service experience to join our team of storage professionals. We are hiring assistant managers for full time positions with competitive pay, bonuses, and great benefits such as:

- Door bonuses (effective immediately with hire and hourly pay)
- Truck bonuses
- Health insurance
- Dental & vision insurance
- Life insurance
- PTO accrues upon start date

*\*All insurance & truck bonuses available after 90-day probation period*

Must be able to work a full day, both indoors and outside, managing the daily operations, retail sales, and maintenance of the facility and be available to work weekends. Hourly rate depends on experience, min. hourly wage is \$13.25, plus potential for door and/or truck bonuses.

As part of the team, your responsibilities include:

- Offer exceptional customer service to promote rentals on the phone and in person
- Open and close office daily; post payments, make bank deposits and collect rent
- Utilize leasing software and marketing dashboard
- Maintain storage units, grounds, and rest rooms for an exceptionally clean facility
- Assist customers with Penske or U-Haul truck rentals
- No experience in self-storage needed, but helpful
- Service and maintenance abilities are a plus
- Drug and background testing required
- **Driver's license and a car with insurance in your name is required**
- Storage or Apartment Management: 2 years (preferred)

We're looking for team members that have a drive to succeed, enjoy interacting with the public, and are ready to take on the exciting opportunity of managing the day-to-day operations of a storage facility.

### **About StorageOne**

StorageOne, founded in 1993, is the largest privately owned self-storage company in Las Vegas with over 29 years of development, construction, brokerage, and management experience in the Las Vegas self-storage market. Having constructed over 100 self-storage properties in Southern Nevada, StorageOne currently has 13 facilities serving the Greater Las Vegas Valley and is actively developing new properties to serve the growing market. All of our facilities are air-cooled and equipped with individual unit alarms, computerized gate access control, perimeter block walls, and surveillance cameras. StorageOne offers many products and services, including Penske and U-Haul truck rentals, boat/RV storage, professional moving services & supplies, and tenant stored property insurance. We are looking for individuals with strong customer service skills to join our team of storage professionals.
