**Maintenance Corner  
Castle Vista Dumpsters**

Castle Vista Staff was notified by Waste Management that our dumpsters are getting over filled and someone is still putting furniture, boxes, and other items along the outside of the dumpster. Waste Management will not dump the dumpster if it is over-filled nor will they remove any of the items that are not put in the dumpster. We do not want to lose our services, so I ask that everyone abide by the rules set forth regarding our dumpsters.

The resident dumpster is located in front of the Community Center. If the dumpster is full, we ask that you use an alternate location off site or the County Dump to dump your trash. Please do not use the dumpsters by the maintenance shop as people are dropping off mattresses, furniture and large items that they will not dump if put in the dumpster. Each residential unit is supplied with a trash can for that unit. We ask that you do not use another residents trash can without permission. We also ask that you are responsible for your own trash can.

**Jon Lukshaw, Maintenance Lead**

Please make sure to have it out on Tuesday mornings and returned to your location by Tuesday night.

**Doggie Poop Bags:** If you are discarding poop bags, please make sure that you make the dumpster or put them in the pet stations.

**Maintenance Shop:** Do not go into or around the Maintenance Shop area. The Maintenance Shop is off limits and you will be considered trespassing if you are caught doing so.

Thank you for your cooperation.

## Festive Spring Dirt Pudding Cups

**Directions**

1. Crush Oreos in a food processor or in a plastic zip to storage bag.
2. In a large bowl, whisk pudding mixes and milk for about 30 seconds. Set aside to thicken while you make the cream cheese mixture.
3. In another large bowl, beat cream cheese and butter until smooth. Add and beat in powdered sugar.
4. By this point, pudding should be thickened. Whisk it a little more to combine thoroughly. Whisk in cool whip into pudding.
5. Pour pudding mixture into cream cheese mixture and mix until combined.
6. Divide mixture in half. Using a few drops of food coloring for each, dye one blue and the other pink. Stir until color is completely mixed in, adding more dye if necessary..
7. Begin layering in small jars or mini trifle dishes: 1-2 tbsp crushed Oreos, 2 tbsp blue pudding, 1-2 tbsp Oreos, 2 tbsp pink pudding, 1-2 tbsp crushed Oreos, 1 tbsp blue pudding, 1 tbsp crushed Oreos.
8. Place coconut in a small plastic storage bag. Place a few drops of green food coloring into the coconut. Seal bag, color mixture by moving the coconut around in bag to dye the coconut green.
9. Place coconut onto top layer of Oreos. Finish off with a Peep Chick and chocolate eggs.
