Gutter Cleaning and such....

As the weather keeps changing, we have received several calls about gutter cleaning. We strive to make Castle Vista a "sit back and relax" environment for our residents.

Gutters: We had to postpone gutter cleaning and will be taking care of the gutters as a "as need basis". If you are in need of your gutters to be cleaned, please call the office to get on the cleaning schedule. Please make sure that your patio area is free of plants, furniture and other obstacles in the way of cleaning the gutters before they arrive.

Work Orders: Friendly reminder, do not hold on to work orders, please call them in as soon as you see a problem that needs to be addressed. There is no task too small.

Dumpsters: Please make sure if you are using the Castle Vista dumpster in front of the Community Center that you do not place items outside of the dumpster. If the dumpster is full, please use the dumpsters at the

maintenance shop. Do not throw furniture away in the dumpsters. We ask that you please break down boxes before discarding them into the dumpster to make sure we have room for others.

Doggie Poop Bags: If you are discarding poop bags, please make sure that you make the dumpster or put them in the pet stations.

Leashes: Please remember to have all pets on leashes. Do not let them roam as it is for their safety and others.

ST. PATTY'S DAY

SHAMROCK PIE

Ingredients

- 1 cup sugar
- 1/4 cup cornstarch
- 1-1/2 cups water
- 3 large egg yolks, lightly beaten
- 1/4 cup lemon juice
- 1 tablespoon butter
- 1-1/2 teaspoons grated lemon zest
- 5 to 6 drops green food coloring
- 1 pastry shell (9 inches), baked

Meringue:

- 3 large egg whites
- 1/3 cup sugar

Directions

1. In a large saucepan, combine the sugar and cornstarch. Stir in water until smooth. Cook and stir over medium-high heat until thickened and bubbly. Reduce heat; cook and stir 2 minutes longer. Remove from the heat. Gently stir in the lemon juice, butter, lemon zest and food coloring until smooth. Pour hot mixture into crust.
2. In a small bowl, beat egg whites until soft peaks form. Gradually beat in sugar, 1 tablespoon at a time, on high until stiff glossy peaks form and sugar is dissolved. Spread evenly over hot filling, sealing edges to the crust.
3. Bake at 350 degrees for 10-15 minutes or until the meringue is golden brown. Cool on a wire rack for 1 hour. Refrigerate for at least 3 hours before serving. Store left overs in the refrigerator.
