BURLINGAME

It's a new day...  
And it's yours!

At Pacifica Senior Living, we don't expect our residents to "fit" into one of our communities. We've designed our communities to "fit" them – to meet their different needs, preferences, dreams and goals. From Independent Living to Assisted Living and Memory Care, our communities welcome residents to live by their own design.

Our communities provide residents with every service and amenity they need, want and deserve to live each day just as they choose. We respect their individuality and understand that each person is in charge of the direction his or her life takes. We're simply here to support them. Every step of the journey.

It's a New Day... And It's Yours!
