### Welcome April Minear Health Care Coordinator!

April joins us with previous experience in Long Term Care settings. She has 4 children; 2 boys and 2 girls, in which she spends her spare time going to their activities including but not limited to, dance competitions and basketball games. They as a family also enjoy fishing and spending time at the beach in Bellevue in the summer. Another fun fact is April is a published poet! April also received during the month of April the Jaybird GEM Award which recognizes nurses who go above and beyond! We welcome April and she looks forward to getting to know everyone and learning more about all of our residents and their families.

Have a wonderful May!!

Amanda Widel, Director

**All activities, events and dining are open to have you join us again!** At this time masks are still a requirement in all of our common areas. If you would like to join your loved one or friend for a meal, a 24 hour notice is needed to reserve the library for dining. Drop in's are welcome to dine in apartments. We look forward to seeing you at one of our activities soon!

# There's No Place Like Home at Clover Ridge Place

*You can take the kid off the farm but you cant take the farm out of the kid!*

In the month of March we had some special visitors, helping us celebrate our Grow with Us theme. Tucker and his family came to Clover Ridge Place and brought some furry & feathered friends to share. Tucker, gave a short presentation on hatching eggs, and his chicken business. He left us equipped with an incubator, instructions of care and eggs to watch for the next 22 days or so.

On 4/20/22 we were proud to announce we have a BABY! Chicken that is! Bruno is pictured to the left, he will be rejoining the flock at Moore Family Farms.

**Meet  
Baby Bruno  
4/20/22**

As part of Jaybird Senior Living, and a National Team for the Walk to End Alzheimer's. Team Clover Ridge Place was recognized as the top team in Jaybird Senior Living in the fundraising effort for

2021. There is a huge trophy at the front door in recognition of the efforts by the team and community! Thank you to everyone who assisted us in those efforts. We are excited for the 2022 walk season. Save the date, **Wed, June 15th, for our 2022 Walk to End ALZ Kick off Party!**

*There's No Place Like "HOME" at Clover Ridge Place!*

Team Clover Ridge Place celebrated National Baseball day with a League of Our Own!

Residents, Team Members, family and friends had a great time at the ball game.

Nurse Sierrah showed a hidden talent, creating a team Clover Ridge Place shirt, residents had their baseball knowledge tested by game day, guest announcer Dennis Voy. If you won the trivia

question that us asked you were a winner of cash and a pen from KMAQ. Students Mitchell, Elaina, and Kasedi joined us from Maquoketa High School and assisted with the running of the bases.

Several residents, family, & team members took their turn playing ball. Concession stand was complete with pop corn, cracker jacks, candy and soda.

The score was hard to track, but

one could say we the kid came out in all of us and we had a Whoopee kind of time! There truly is no place like "home" at Clover Ridge Place!

**Congratulations Donna!**

Donna is pictured with Haven, who Caught her Red Handed. "Donna sure knows how to work, has such a great personality, is a pleasure to be around, and so supportive," Haven shared.

**Marilyn**

"The teamwork at Clover Ridge Place is really great. We always work together to give the residents the best possible care they can receive."

May is a busy month. We enjoy that Spring has truly arrived as we enjoy the blooming flowers, all the birds and the beautiful temperatures. As we celebrate the many gifts of mother nature we also have many other reasons to celebrate!

To all of you mothers out there...Happy Mother's Day! Take a moment to reflect on the joy of being a mother. Take another moment to recollect a challenging time with that "difficult" child and how eventually they did recognize that you did know something. Being a mother is a treasure many of us share. I hope you have time to spend with your family and remembering old memories and are able to create new ones.

National Nurses week is in the month of May as well. The week of May 6 –12th is a time to recognize the great work of the many nurses that provide knowledge, skill, comfort, and healing. We treasure the great team here at Clover Ridge and offer special recognition to April and Sierrah for their great nursing abilities. Please share your thanks and appreciation to the two of them as you have the chance throughout the month.

Graduation, wow, what an exciting time of the year for so many graduates. Do you recall being that age and being sure that you knew EVERYTHING? I think many of us, including myself, can relate to learning quickly that this was not quite the case. To the many graduates, especially our Clover Ridge Team members, Sierrah, Garrett and Serenity . Congratulations to you! We look forward to celebrating with you on June 13th here at Clover Ridge Place.

And to our many veterans and military personnel...THANK YOU! Memorial Day will be celebrated on May 31, 2022. Join Clover Ridge Place as we say thank you to the many brave souls that sacrificed so much to ensure our freedoms. As an American it is a blessing we treasure and all too often take for granted. We must never forget those who lost their lives defending our great country and all who served and made tremendous sacrifices. Again, thank you!

Happy Spring everyone! *Sally Davies, Community Relations*

**RESIDENT IN DOOR**

*Memorial Day Picnic*

Hot Dogs & Hamburgers

Join us for a  
Graduation Celebration  
at Clover Ridge Place  
In the Great Room  
on June 13, 2022  
at 1:30 P.M.

CLASS OF 2022

## May is World Stroke Month

Hello Residents, families, and friends, and community

May is upon us! I hope everyone is ready for the flowers to bloom and the sun to shine! May is recognized as World Stroke Month! FAST is an acronym we use when educating patients about strokes. The acronym stands for

**F- Face** – ask your loved one to smile for you and watch for facial droop.

**A – Arm** – See if your loved one can raise both arms. You're looking to see if one arm drifts lower than the other.

**S – Speech** – Listen to their speech and take note if there is any slurred speech, you can have them repeat a sentence.

**T – Time** – Call 911 Fast because Time counts!!!!

If you want to learn more about what you can do to prevent strokes and learn about your risk factors, please visit [cdc.gov](http://cdc.gov) and [stroke.org](http://stroke.org). Both these websites have wonderful, updated information about the types of strokes, risk factors, and the different effects it has. If you have any further questions, please reach out to the nursing team here at Clover Ridge Place and we would be happy to assist you.

Stay Healthy!

*April, RN,  
Health Care  
Coordinator*

Family traditions are what make a house a home!

As we celebrated Easter this year we remembered some of those traditions that fill the house with laughter and joy! Dying Eggs, making crafts, dancing, games, egg hunts and a visit from the Easter Bunny!

There is no place like HOME at Clover Ridge Place!
