May 30th All Day - Happy Memorial Day!

A Note from the Director

Spring has sprung and summer is just around the corner. With that being said we have so many fun activities planned for the next several months. We are starting our Garden Club this month, picnics, outings to History on the Hill, Annette Nature Center, fishing, walking, Badger Creek, and a few cook-outs. If there are activities you would like to join, please call the community so that we can make arrangements.

Mother's Day weekend, we will be having a Mother's Day Tea Party for all the beautiful ladies here at the Legacy.

If you have any questions or concerns, please reach out to myself or Stephanie. We also do a weekly Townhall meeting at 12:30pm on Friday, these will be recorded and added to a private YouTube channel beginning on May 6, 2022. You will be able to watch these after the original meeting.

If you would like the link to the townhall meeting, please email me and I will send to you by email. If you would like the link to the private YouTube channel, send an email to myself or Stephanie.

Thanks,

Shannon Giles
