RESIDENT TESTIMONIAL—TOMAHAWK

Welcome May: Our snow falls in April sure fooled us, as we thought Spring was supposed to be here. Our Corporate theme for May is 'Live the Life of Luxury' and we have many "Paris" themed activities scheduled. We look forward to nicer weather to do some outside planting towards the end of the month. Let's enjoy Spring, as everyone and thing will be growing. As the weather continues to warm up, you will see us patio sitting and waling about more.

Fundraiser: We continue to have cookbooks for sale; 'A Milestone Cookbook, stirring up Memories' available for \$20.00 each to continue to raise money for the non-profit group 'Paws 2 Think'. This is a local nonprofit that helps with Food 4 Pets and Education 4 Their People. Staff will also be able to wear jeans on Fridays with \$2.00 donation going towards this organization.

Director update: While April's showers were primarily flurries, we are all still hopeful that May will bring flowers at the Milestone Tomahawk Community. Our Tomahawk Community is going on a fantasy ride to Luxurious France for the Month of May where we will focus on luxury with activities such as wine and cheese tasting, tea party socials, and Italian style cuisine. We are all excited to have an out of this country experience.
