Eight residents enjoyed going to the beautiful Coronado theater to the Symphony Orchestra: Spring Love and Butterflies.

May fun facts

- May was once considered a bad luck month to marry.
- The Indianapolis 500 car races is held in May.
- Kentucky Derby is also held in May.
- May is the only month that begins and ends on the same day of the week.
- It is said those born in May have a greater chance of being more successful in life and experience more love.
- The Empire State building opened its doors on May 1st 1931

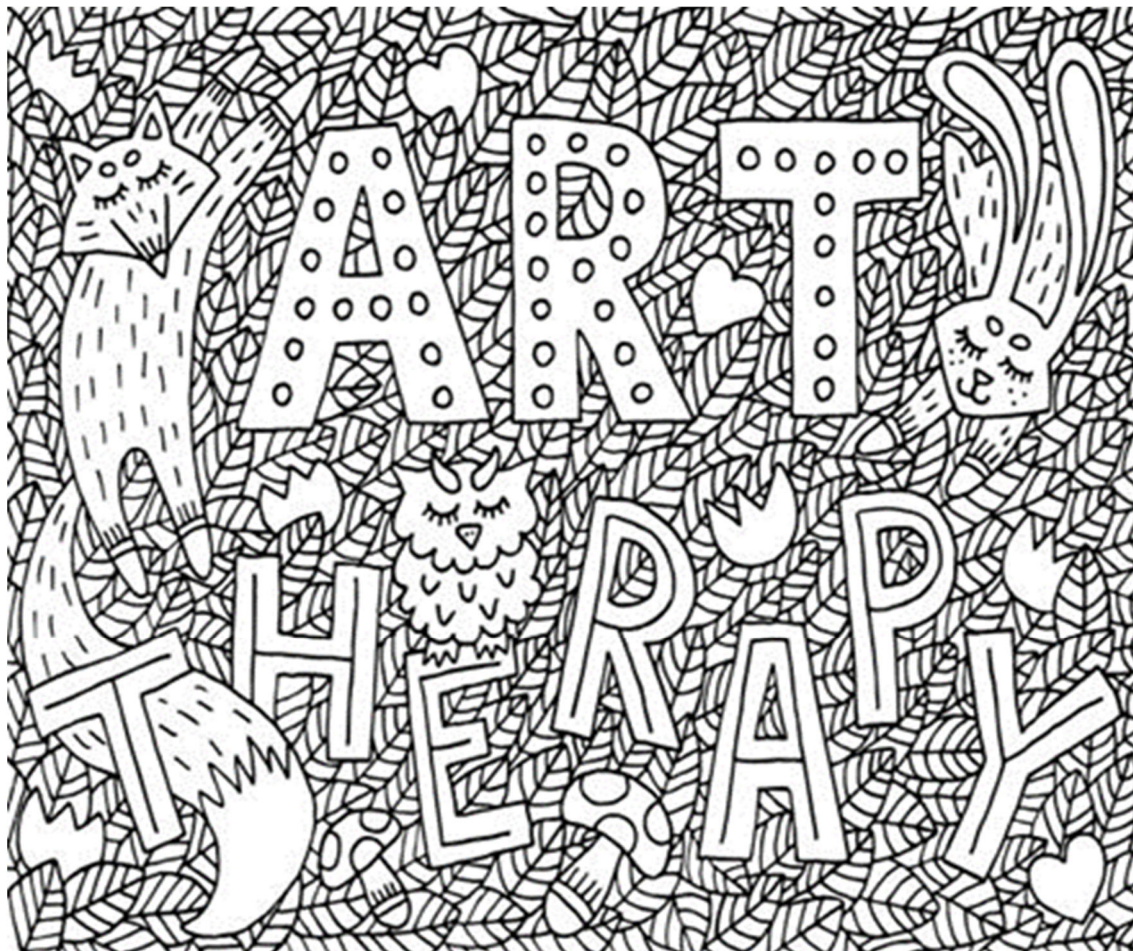

Outings

- We will be taking residents in May to Anderson garden for our Dare to dream
- Rock cut picnics by the lake
- Slots machines
- Walk in the park
- Out for ice cream
- Scenic Drives

Sponge and Splatter painting (Art Therapy for dementia)

This is a fun project that uses various art mediums to create unique and beautiful paintings. Art therapy allows someone with Dementia to express their emotions without words. .

Easter Cookies

Staff brought in some chick, bunny and egg cookies for the residents. They loved them.
