EXECUTIVE DIRECTOR CORNER

I would like to say thank-you for a wonderful first 5 weeks. I am asked frequently how I am enjoying the new job and I can respond enthusiastically that it is great. One of my focuses is on a "reopening" of our community. We have been so entrenched in Covid over the last two years that we have forgotten some of the fun get togethers that are so important for our social well-being. I hope you saw this with our Easter Brunch. I was excited that over 60 family members attended. We also had our first Spring cook-out on the veranda. I am working on ways to make this a much more used area. I am excited to be here and look forward to a great Summer.
