Another Rehab Therapy Success Story

An 83-year-old male was admitted to our facility on 11/11/21 after being hospitalized with shortness of breath and generalized weakness. He was found to have an elevated temperature and was diagnosed with Pneumonia.

Initially, he was not getting enough oxygen and required 2 liters of oxygen at all times, he was unable to stand or walk on his own and required a mechanical lift and assist of 2 caregivers for all functional mobility, bathing and dressing.

After intense therapy and nursing care, he has regained his independence and does not require oxygen. He is able to walk 250 feet, is Independent with bathing and dressing and he is able to negotiate 12 stairs with minimal assistance.

It is always our goal to help our residents maintain their highest practical level of function, regain their independence, and improve their quality of life.

Facility News

We would like to welcome our new MDS Coordinator Yvonne C. She lives in East Troy. She moved to Wisconsin in 2015. Her favorite thing to do is spend time with her family. She believes it takes everyone working together to provide the best quality care to our residents.

"My mom has had a couple week or more stays at East Troy Manor. The staff are very friendly and caring, I feel very comfortable leaving my mom in their care. Both times they worked with her to get her back on her feet and feeling strong. They also are very accommodating with my dad and his daily visit to see my mom. He has commented multiple times on the friendliest of the staff and enjoys the food they serve. I definitely recommend East Troy Manor. Oh and Blanca the Admissions Coordinator is wonderful!" ~ John B

"My mom was moved to a hospice room, and I vividly recall her saying, I really like my new apartment! This warmed my heart considering all the complaining she did. I trust that God put it in her heart that this was her new, temporary place until she went home to be with Him, which is why it was so accepting to her. During her last weeks at ETM, we all enjoyed being there. The staff was incredible. Everyone was so warm and welcoming."
