SENIOR LIVING PACKAGE: MEMORY CARE LEVELS

Care Level 1 \$2,445/month

Resident is cooperative in assisting with routine care such as dressing, grooming, bathing and toileting. Needs assistance with medication monitoring. Resident’s behavior may require intermittent redirection, occasional assurance, assistance with problem-solving, and resident has low physical needs. Two visual checks overnight.

Care Level 2 \$3,265/month

Resident may be incontinent of bowel and bladder. Requires the direct assistance of one staff person with dressing, grooming, bathing, medications, transfers and/or management of incontinence. Needs direction to attend and participate in meals and activities. Nightly visual checks are made to supplement scheduled services to ensure observation every two hours. Resident’s behavior may require moderate staff problem-solving and intervention.

Care Level 3 \$4,085/month

Resident requires advanced memory support, including direct staff intervention and redirection. Daily care may require total assistance to be completed by staff. Frequent incontinence may require additional showering and laundry. Resident needs multiple prompts and assistance during meals and may need feeding assistance. May require up to two staff to assist with transfer without a lift. Nightly visual checks are made to supplement scheduled services to ensure observation every two hours. Included in this package: Specialized Diets Level 1 and PRN Medication Administration by staff.

Care Level 4 \$4,905/month

Resident requires intensive memory support, including direct staff intervention and redirection such that all daily care may have to be completed by staff. May have frequent incontinence that requires frequent showering and laundry. May need total assistance with meals, including feeding assistance. Resident may require two staff to assist with transfer, or the use of a mechanical lift with two staff to transfer. Nightly visual checks are made to supplement scheduled services to ensure observation every two hours. Included in this package: Specialized Diets Level 1, Fall Follow-Up, Diabetic Support Services, Specialized Medication preparation and PRN Medication Administration by staff.
