Let's Rock and Roll Into Summer

Anticipation. It's keepin' me waitin'! Just like that old song, "Anticipation," we are waiting! We are waiting for the sun and warmer weather, because we plan to be "Walking on Sunshine," and have a "Whole Lotta Shakin Goin On!"

We can't wait for the sun to shine so that we can get on our Trishaw and give rides on "A Bicycle Built for Two." Our residents love the feeling of the sun on their face and the wind in their hair as they take a scenic ride through the neighborhood or other location. Would you like to volunteer to drive the Trishaw? Make sure you keep an eye on our Facebook page announcing our Trishaw training class, so that you are ready to go through the steps to become a volunteer and attend the class!

Have you got your life jacket and your sunscreen? We will whistle our way to "The Fishing Hole." Let's Go Fishing in Rhinelander gives our residents the chance to go out on a pontoon boat. We can hardly wait!

Are you ready to tap your toes? "There's Nothing Like a Good Old Fashioned Hoe Down," when it comes to enjoying a patio barbeque picnic! Let's get on our jeans and enjoy some burgers and brats in the fresh air under our pergola. We can put on some music and our "Blue Suede Shoes," and dance and "(I) Walk the Line." If we are having a really good time, you might find us "Walking After Midnight" (but I doubt it!)

We have so much planned for the summer! We hope all of our residents will join us, because we plan to have "Fun, Fun, Fun" all summer long.

Bell Tower Residence welcomes new residents, staff and volunteers. If you would like to join us as "We Are Family," go to our website, or call us today. And spin a few old records and take a trip down memory lane while you're at it.

LET'S GO FISHING Hodag

Let's Go Fishing is a non-profit organization that enriches the lives seniors, veterans and the disabled community by bringing nature's healing powers through fishing and boating activities at no cost. The pontoons are wheelchair accessible and can hold 12 people, including staff and four wheelchairs. Our hope is to schedule these trips twice per month so all of our residents can experience

a day on the lake and take in the beauty of a Wisconsin Summer once more. We already have trips scheduled for Monday, May 23rd and Thursday, May 26th. We will leave Bell Tower at 11am and are scheduled to arrive 30 minutes prior to the boat ride at 1:00. We will be on the water for about 2 hours and return back afterwards. With this being a longer trip, we are seeking volunteers to accompany our staff and residents to ensure a smooth experience for all of our residents. If you are interested in volunteering, going on the boat ride or supporting this non-profit with a financial donation, please contact our Director of Life Enrichment, Allison Fierek at 715-539-1403 or by e-mail at afierek@carriagehealthcare.com.

Geranium Sale

While April brought showers, May will bring flowers to the grounds of Bell Tower Residence with our yearly Geranium Sale. This yearly fundraiser allows members of our community to purchase Geraniums in honor of residents, past and present, or to simply add to the beauty of the Bell Tower Grounds. Residents will receive a card should any flowers be donated in their honor. Geranium's are priced at \$5.00 and can be purchased from now until May 27th. Order forms can be found at the front desk and they will happily accept payments by cash or check. All checks should be addressed to Bell Tower Residence and noted Geraniums at Bell Tower. We appreciate your donations in order to help beautify the grounds of Bell Tower Residence.
