Samantha F.:

My name is Samantha F., and I am the registered dietitian here at Ingleside and Maple Ridge Care center in Spooner, WI. I work mostly remote but will be in house two days a month. I live on the east side of Madison with my boyfriend. I grew up in Oshkosh, Wisconsin and completed my bachelor's degree at the University of Wisconsin-Stevens Point. I then completed my Dietetic internship at Viterbo University in Lacrosse. I passed my registered dietitian exam in September of this year. Currently I am completing my master's program online through Concordia University Chicago. I am 23 years old, and I love to cook, exercise, and drink craft beer. I fell in love with cooking during my undergrad as we had a cooking class each semester. Now I am always trying new recipes and cooking for my friends and family. This is my first dietitian job, and I am very excited/thankful for this opportunity to work with Maple Ridge and Ingleside.

Todd R.:

Hello, my name is Todd R., I'm the new assistant administrator at Maple Ridge Care Center. I became a licensed administrator in 1986. My first administrator job was in Barron, WI and then I worked in Tomah/Sparta area as an administrator for twenty-five years.

On a personal level, my wife Jan and I have six children "the brady bunch" and five grandchildren. We are now empty nesters! We love living up north in Chetek, WI. I enjoy the outdoor activities such as hunting, fishing, and camping. I'm excited to share my wealth of knowledge and years of experience with the Maple Ridge care team.

Kim O.:

I am thrilled to have joined the MRCC team. I have over seven years of experience as a certified nursing assistant working in long-term care facilities and the hospital setting. I also worked as an administrative assistant for a dental practice. I then moved on to working as a community health worker because I wanted to do more outreach work and get more involved in the community. I graduated with two bachelor's degrees (forensic science and health science), then went on to earn my master's degree in business administration with a concentration in healthcare management from Husson University. When I get some free time I enjoy yoga, hiking, and spending time with my dog Simba.

Employee Appreciation Day

We would like to applaud all of our employees for going above and beyond each day in providing compassionate, quality care to our residents and families. We appreciate you!

Be sure to take a moment on March 4 to recognize your favorite staff member with a hand-crafted greeting or compliment, or by sharing a laugh or story together.

A scholarship for rising stars

Application deadline: March 31

Open to all WISH employees and high school students in IL & WI. Health care interest a plus but not required. Scan QR for info and to apply.
