My name is Tammy S. I grew up in Birchwood a town of 400 people in beautiful northwestern Wisconsin. I am married to my best friend Steve and together, over the last 22 years have built a wonderful life filled with happiness. We have 3 children, Logan 20 years old, Leah 17 years old and Thomas 4 years old. We enjoy ATV riding, pontooning, family game nights and traveling.

I always dreamt of becoming a nurse. I have been in health care for the last 15 years and I have loved every area of nursing I have tried. My experience has ranged from emergency room, OB, surgery, clinic, and long-term care. I decided in January to explore a management position and accepted the ADON at Maple Ridge Care Center. Maple Ridge Care Center is a wonderful place to work. The employees are like family and provide exceptional care. I hope to use my experience, knowledge, empathy, and compassion in all my work. I am excited to grow as a person and in my career at Maple Ridge Care Center.

My name is Jenna C. and I'm the new admissions nurse at Maple Ridge Care Center. I am a registered nurse and recent graduate from Northwood Technical College. My previous experience includes working as a certified nursing assistant, nurse technician, and administrative assistant. I enjoy nursing because I get to help residents reach their goals, while also building relationships with them and their families!

Being born and raised in Spooner, I really love our community and am happy to be here. I live with my husband and our four dogs- you may see them visiting Maple Ridge on occasion! We are also very excited to be expecting a baby boy in July 2022. I enjoy many outdoor activities including gardening, fishing, and spending time at the lake. One of our favorite things to do is go to Green Bay Packer games. I'm excited to be a part of the Maple Ridge care team!

Haiku Fun!

What is a haiku (hahy-koo)? A haiku is traditionally a non-rhyming three-line poem of Japanese origin that offers a way of looking at the physical world. The origins of haiku can be traced back to the ninth century.

The haiku consists of three lines with a five-seven-five syllable structure using sensory language to gain inspiration. Matsuo Basho (1644-1694) is considered the greatest haiku poet of all time.

Here is simple Easter-themed haiku:

Easter Bunny
Hops
Flower Eggs
Jelly Beans Fun
Hidden
Baskets Full

Clapping
out each word's syllables
makes them easier to count
when creating your poem.

Haikus can be a fun and fast alternative to writing a longer poem. Try your hand at writing a haiku today and share with family and friends.
