Staff Spotlight

This month's Staff Spotlight goes out to our dynamic duo our Community Relations & Life Enrichment Coordinators. These two work hand in hand to make sure we have amazing community events & activities for our residents to enjoy! You never know what these two will get you into from making homemade dog treats to putting on a wig and dancing for a video or even moving a purple toilet around town! We can't thank these two enough for everything that do for our community!

Well...we didn't win the coveted 2022 Small Business of the Year award...however, we are extremely grateful for the nomination and recognition we received during Small Business Week in Mt Pleasant! We want to thank the ones who nominated us and made us a finalist, to the sponsors who hosted this fabulous week in Mt Pleasant, to all who came out to our ribbon cutting ceremony last month, and finally the Mount Pleasant Area Chamber of Commerce for a week to remember!

We designated Mondays as Macaron And Mimosa Mondays in May! It so happened to be National Mimosa Day on May 16th, so we thought this "boujie" afternoon was very fitting for this National Day!

Mother Nature decided to skip Spring weather altogether, but the real heat was happening inside during our corn hole tournament! A toss here, a throw there - it was all in great fun !

We celebrated National Nurses Week last month & we wanted to pamper our very own nurses here at Addington Place of Mount Pleasant! Emily (LPN), Kathy (LPN), and Jessica (RN) all received a hanging basket of flowers for "hanging in there" through the tough times and making our team stronger. They also received a commemorative Addington Place Mt. Pleasant fleece for always keeping our residents "comfortable and cozy"
