THE MONTHLY GAZETTE

*"So sweet, so sweet the roses in their blowing,
so sweet the daffodils, so fair to see;
so blithe and gay the humming-bird a-going
from flower to flower, a-hunting with the bee."*

~ Nora Perry (1831-1896)

Dog of the Month – Dachshund

The dachshund is a friendly, spirited, and affectionate breed of dog that is very popular with families. They are easily trained, personable, and very adaptable. These adorable, small dogs also tend to be quite vocal, making them good watchdogs.

Dachshunds have short to medium coats that come in a variety of colors and patterns, including black, cream, tan, chocolate, fawn, wheat, and red. Their fur is either smooth, longhaired, or wire-haired. They are known for their long bodies and short legs and weigh between 16 and 32 pounds. Miniature dachshunds

are a maximum of 11 pounds. Dachshunds were originally bred as hunting dogs and can be very brave and stubborn. Their name means "badger dog" in German, but they also can hunt rabbits and other burrow-dwelling mammals. They are commonly called wiener dogs, sausage dogs, doxies, and doxins.

Flower – Rose

The rose has been called "the queen of flowers" and is known as a symbol of love. Since primitive times, the rose has been used in perfumes, medicines, and even in foods. While the sharp objects along the stem are commonly called *thorns*, the technical term is *prickles*. The prickles protect the rose from herbivores and help it hang onto other vegetation when growing and climbing. In the language of flowers, a white rose means purity, a red rose means courage, and a pink rose means happiness.

Birthstone – Pearl

Natural pearls are formed when a grain of sand irritates the soft inside of an oyster. The oyster covers the irritant with a shell material called *nacre*, which becomes the pearl. Natural pearls are very rare. Most pearls on the market are cultured, or grown on a pearl farm. Traditionally, pearls are white or ivory, but they can also be found in blacks, pinks, purples, and golds. Pearls are the traditional gift for a 30th wedding anniversary. A common folk belief says that a new bride will be blessed with fertility if she sleeps with a pearl under her pillow.
