A Note from Our Executive Director

Dear Residents,

Goodbye May, Hello June!

Thank you to all who participated in our annual Live More week! It is very rewarding to see residents and staff interact and have fun together. It takes a lot of brainstorming and planning to have a successful week and when you see smiles and hear laughter you know it was well worth it!

As the warmer weather approaches please keep yourself hydrated, your apartment a cool but comfortable temperature, and if you are feeling ill notify a member of the team as soon as possible. I know many of you enjoy the outdoors and absorbing vitamin D, so please be cautious, wear your SPF, increase your hydration, and spend time in the shade.

Please take note that staff will be completing audits on resident apartments. We are required by the Department of Health to maintain safety standards in each apartment. Some areas that will be audited include unsafe clutter, odor, power strips, durable medical equipment, pull cords, trip hazards etc. We thank you for understanding and your cooperation.

As a reminder, residents are encouraged to continue to wear masks while in the community. At this time the Department of Health has not lifted the mask mandate for nursing homes or assisted living communities.

Please know that the Clinical Services team and I have scheduled a COVID-19 booster vaccine clinic here at Hearth on James on June 8th at 10am. The clinic will be held in the parlor. A reminder will be distributed as we get closer to the day.

The first booster shot will be available for anyone who is eligible, based on the timing of your first and second vaccine doses. The second booster will be available for anyone over the age of 50, or anyone immunocompromised.

Have a wonderful June!

Jennifer

Do you know someone who could benefit from moving to The Hearth on James? If so, you could earn up to **\$1,000** through our referral program! Contact us at 315-422-2173 to learn more!
