## Lisa's Post

June is a great month to start exploring all the opportunities our wonderful community has to offer. If you are a new resident or seasoned, I challenge you to try a new activity or jump on the bus for a field trip. Our community prides itself on being a very active community. We all know engaged residents live longer, healthier and happier lives. Melinda is always busy creating new events and activities for you! Take advantage of the fun that is being made just down the hall from your apartment! This month's theme is Seas the Day. Watch your June calendar for themed events and a special Captain's Table dinner hosted by Melinda.

June also kicks off the fundraising season for the Alzheimer's Association. Team Glenwood Place continuously fundraises throughout the year. Our 5th Annual Cruise for a Cause is our kickoff event. Make sure to join us so we can hit our goal of \$3000!

Don't forget about our specialized programming, especially our Dare to Dream program. Each month we are able to make a dream come true for one resident. The dream can be as simple as a romantic anniversary dinner, or as complex as a helicopter ride or a day trip to the Iowa State Fair. Maybe you just want to take a trip to your lifelong home. Come to us with your ideas so we can make your dreams come true!

Thank you all for your kindness to everyone in our community. You are the reason Glenwood Place is so special.

Sincerely, Lisa

In loving memory of...

JEAN KLOSTERBOER

## Brooke's Post

One thing I am proud. I am proud to work at Glenwood Place. I am proud to serve all of you (residents and families). I am proud of each staff member, for having the same drive I do to provide red carpet service in all we do. I am proud of each family member and/or resident who had the courage to inquire about senior living. I am proud of our residents, for leaving the familiarity of their homes knowing the lifestyle we provide will enrich their lives for the better.

Do any of you feel this way? We know how proud many of you are to call Glenwood Place home. Many new residents come through our doors because they have a friend here, or have been given high recommendations from a family member. I think that speaks volumes. Word of mouth has always been our best marketing tool. With that, I would like to introduce our newest program: The Glenwood Place Ambassador's Club. This club is open to everyone who is passionate about spreading the great word about our community. Monthly socials and meetings, outings, testimonials and other events will give our Ambassador's a chance to share their experiences with others.

Of course, our Ambassador's will be rewarded with perks. Ambassador brand clothing, chamber bucks, special outings etc. will be offered for your time and grace. So would you like to become an Ambassador? If you would like to learn more about our Ambassador program, please stop by my office anytime. We will begin having monthly meetings the last Thursday of each month at 4:00 PM.

**Please join us for our rollout Ambassador's meeting:  
Thursday, June 30th at 4:00 PM in the Gathering Room**
