Tending to Your Mental Health

As we continue to move through life, it can be easy to get overwhelmed. Family members move to new cities, friends can become harder to reach, and day-to-day activities can become more strenuous. And as our physical health begins to change, our mental health follows – often paving the way for stress to poke its head back into our lives.

Dr. Michelle Dosset, an internal and integrative medicine specialist at the Benson-Henry Institute for Mind Body Medicine, had studied the effects of stress on seniors. In her research, she attributes aging cells to increased levels of stress. Here's what she had to share with Harvard Health Publishing:

“Normally when we're stressed, our brains get flooded with stress hormones, the midbrain takes over, and the front of the brain—which controls concentration, attention and decision-making—works

less well. Restorative sleep helps to flush stress hormones from the brain. However, many older adults have sleep problems. Stress may make it more difficult to fall back asleep, and the inability to clear these stress hormones from the brain during sleep means that the cognitive effects of stress can worsen over time.” Provided by Healthline, here are some steps that you can take towards relieving stress:

- Exercise.
- Reduce your caffeine intake.
- Have a laugh.
- Take a yoga class.
- Listen to relaxing music.
- Take a deep breath.

To support these steps, our community offers specialized programming to combat stressors and keep our residents engaged in fun, fulfilling ways. With our *Lifelong Learning* program, rather than worrying about your health,

you can take a course on it. If you're wanting to improve your palate, talk to one of our chefs about adjusting your diet. Finally, our *BrainFIT* program can help you maintain everyday intellectual performance while lowering your chance of Alzheimer's and other forms of dementia. Talk to a member of our team today to learn more about how *BrainFIT* coursework can help you!

Happy Birthday!

Executive Director Corner

Welcome to June!

Summer is finally

here, which means it's time to break out the sunscreen, grab an ice-cold lemonade, and get ready for a season of celebration. I'm always a fan of our summertime cookouts, so I'm especially excited to see what we cook up on the grill this year.

As the weather continues to get warmer, there has never been a better time to participate in our *Out and About* program. With *Out and About*, we're proud to offer our residents field trips, bus tours, sports outings, and more up to two times per

week! Talk to any member of our team today to learn more about our next outing.

Finally, I have to once again thank every one of you who participated in and/or helped organize our recent Lucille's Ball Theme Week. Our friends and families have been loving what we've shared of the event across our Facebook and Twitter pages, and I highly encourage you to check out our social media pages to see all of the fun for yourself. We'll see you for the next Theme Week!

Let's have a great month!

Yours in service,

Rachel Dadisman
Executive Director

We had SO Much fun at our Derby Party themed family night! We made hats, bet on our favorite horses, and of course we HAD to try our chef's signature Mint Juleps & Derby Pie!

Community Connections

This past Easter the wonderful Harrodsburg Baptist Church threw their annual Easter egg hunt at our facility! The residents got in on the fun and had a blast filling the eggs!
