APRIL
2021

A Note from the Executive Director

For the month of April, we will be celebrating Easter Sunday on the 4th, and on the first of April it's always fun to play a joke on April Fool's Day. I am looking forward to having the sunshine on spring with flowers blooming and birds signing.

I would like to inform our families and responsible parties about our outside visitations during the week, please contact our front desk and reserve your spot. Please remember to follow all our poli-

cies and protocols in keeping our residents and employees safe including your well-being.
