Maintenance Corner
Pool & Spa 101

What is the best way to enjoy your Summer? The pool here at Castle Vista!

As the weather heats up, more and more residents will be using the pool. We went for two years without getting to use the pool. With that said we ask that you help us keep our pool clean and fresh for all to use.

Please remember when you are using the pool and spa we ask that you rinse off prior to getting into the pool. Our bodies have natural oils, along with uses of tanning oils, sunblock and hairspray that go into the water that we all swim in. Think about swimming in that in a heated pool. The bacteria loves to grow in warm places and we don't want our pool to be that place.

It is a known fact: People pee in the pool. We ask that you take a moment when Mother Nature calls, to get out, dry off, and go to the restroom. It is very important that you dry off and not create a slipping hazard for yourself or others.

We all love a dip in the pool. When bringing your guests up to the pool we ask that you follow the rules and bring one guest per household resident. We also ask that you are considerate of the surrounding units located by the pool. Please keep noise levels to a minimum. Children must be supervised at all times while in the pool and spa area. Please do not leave pool toys in or around the pool area. Please no glass or alcohol while in the pool area as there are no life guards on duty. Stay safe and enjoy the water.

Slightly Sweet & Spicy 24 Hour Pickles

Ingredients

- 1 -1/2 lbs. Pickling Cucumbers, cut into 1/4 rounds
- 1/2 Sweet Onion, sliced
- 2 tbsp Mustard Seeds
- 2 tbsp Peppercorns
- 2 Serrano Peppers, sliced into 4 long pieces
- 1-1/2 cups Apple Cider Vinegar
- 1 cup Water
- 1 cup Sugar
- 1-2 tbsp Kosher Salt
- 2 tsp Dried Dill
- 2—1 Quart Size Mason Jars with lids (or other heat proof containers with tight fitting lids).

Directions

1. Divide sliced onion between mason jars. Pack cucumbers horizontally in jars. Slide serrano peppers alongside cucumbers, taking care not to handle the seeds to much. Top each jar with tea-spoon of dill.
2. Using a mortar and pestle or resealable plastic bag and mallet, crush the mustard seeds and peppercorns.
3. In a sauce pan, place the crushed spices along with the vinegar, water, sugar and salt.
4. Bring mixture to a boil over medium-high-heat for about 5 minutes. When sugar dissolves, ladle mixture evenly over cucumbers. Taking care to evenly disperse the seeds and peppercorns among each jar. Make sure all the cucumbers are covered in the liquid mixture.
5. Leave uncovered on the counter for 30 minutes. After the brine has had a chance to cool, cover the jars with tight fitting lids, and place in the refrigerator for 24 hours. Can be stored in the refrigerator with a tight fitting lid for up to 2 weeks. ENJOY!

Police Chief Michael Salvador Q & A

Great conversations were had with Atwater Police Chief Michael Salvador. Residents were informed about measures to help with dealing with the homeless in Atwater. City Manager, Lori Waterman was there to help answer any questions we had on concerns with the fence line and surrounding home owners.

A representative was there to discuss measures to help reduce issues along the canal bank. MID is aware of our concerns and is working with the City of Atwater for a resolution to the matter. I felt the meeting was very informative and a great partnership with the City to work together to address our issues at hand. We will be putting together a neighborhood watch committee of residents that will work together to be the eyes and ears of Castle Vista. If you are interested in being part of the Neighborhood Watch Committee please contact Jennifer Krumm at 209-357-2924. I will be organizing monthly meetings.
