## Letter from our Activity Director

We are excited to welcome June and the beginning of summer! At the end of April and the beginning of May we were all hoping to be able to have pond and patio visits, Mother Nature had other thoughts, she left us with cooler temperatures and cloudy days. So, here is to June, bring on the warm temps. Everyone is itching to go outdoors.

Our local 5th graders were able to bless us with a few parking lot poster parades before the end of their school

year. Thank you to all for all the beautiful posters over this school year, the dancing/singing and for showing the ECC residents your love and support. Our residents love sitting by the windows watching all of you. The conversation after the children leave is always about activities the residents did when they were school children. This brings up a lot of memories for them!!

There were many that came to

visit on Mother's Day. Teresa and Mary made cake roll pops decorated with a white coating and pink sprinkles on top, we handed out Mother's Day cards for all our lovely ladies.

Happy Father's Day to all our amazing Father's

We are looking forward to warmer months and spending time with all of you. Happy summer all!!
