

Employee of the Month

Chelsie Burnett

Chelsie is the perfect fit in our culinary department here at Addington Place. She always treats the residents with the utmost respect. You will always find Chelsie in the kitchen doing what she loves, whether it is making a signature dessert or mixing a new bowl of punch.

Not only is Chelsie an amazing chef, but she is also friendly, outgoing, and always ready to lend a helping hand.

Chelsie resides in Lake City with her fiancé, Nick, and her two children, Wesley and Murphie Mae. In Chelsie's free time, she spends her time being the best mom to her two little ones.

Thank you Chelsie for always bringing a smile to Addington Place! We all appreciate everything you do!!

Resident Spotlight

Irene is originally from Audubon, but moved to Carroll in 2016. She currently resides here at Addington Place where she moved in November of 2021.

Irene is a very loving mother of two sons, Roger & Rex, grandmother to five grandchildren, and one great grandchild. Irene has lots to look forward to as one of her grandchildren will soon be getting married.

Irene adds so much inspiration, positive thoughts, and personality to our community. Always willing to lend a helping hand or get into an intense game of euchre, Irene is always bound to have a good time.

We are so thankful to have Irene's beautiful smile shared in our community!

Mask Policy

Rules on masking remain the same. Everyone who enters our building wears a mask. This also includes any entertainer/vendor. Family members are still asked to wear a mask in the common areas and are able to dine with their loved one only in a private dining area or resident apartment.

Life Enrichment News

What awesome weather June has brought to us!! We have had the perfect days to enjoy the outdoors and soak up the sun, not to mention the delicious s'mores we enjoyed with our bonfire.

During the month of June, we also started our new music program, SingFit. It has been a fun learning experience for everyone, but I really think we will have fun with it the more we participate in these sessions.

The Carroll Summer Fun Camp kids came to see us for the first time this month. Our residents, as well as the kids, had a great time interacting with one another and playing games. They will continue to come for a few more weeks where we have activities planned.

As we move into July, I look forward to the month's theme, "Join the Gang", where we will have lots of activities surrounding a decades music theme.

If anyone has any recommendations for activities that you or your loved ones would like to see added to the monthly events calendar, please let Lesley, Paige, or myself know. I am always looking for ways to improve the activities in any way I can.

Done!

Do you need meals delivered
to your room?
We can do that!

Merchants Park was all smiles the evening of June 13th when Addington Place of Carroll sponsored the Merchants Baseball Game. All eyes were on Merle for the first pitch of the night.

Merle McCrea was born and raised right here in the great state of Iowa. Merle is the proud Father of three children (Amy, Mark, & Steve), 9 grandchildren, and 21 great grandchildren. He became an avid Chicago Cubs fan at the age of 4 years old where he listened to games on the radio with his father. Merle graduated from Wayne State College, in Wayne Nebraska in 1964 where he earned his degree in Education, specializing in English and Speech. Merle also met his wife, Joan, in 1964! Although they did not marry until June 13, 1992! Upon Graduation from Wayne State College, Merle took his first teaching job at the Glidden Ralston School District. Merle taught at Glidden Ralston for his entire 34 year teaching career. He gave back to his community by serving on the Glidden City Council for several years. Merle was also actively involved in serving individuals with disabilities. Merle was a part of the Original Founding Board of Directors at Carroll's very own New Hope Village.

Awesome work Merle!
