Christmas In July Week

Embracing Every Moment

# Manager

Brown Deer will be raising money for Alzheimer's with hosting a car show and bike ride on July 17<sup>th</sup>. Please tell your friends and family about this great activity.

The team would like to thank everyone for their input and suggestions at the resident meeting. This helps the team find things residents want to see, do and have in their community and make it their home. Please continue to bring your ideas and suggestion to the team.

Brian Hervey

# Administrative Assistant

I hope that everyone is doing well going into these hot summer months. Please remember to stay hydrated, especially while sitting outside enjoying the weather. As always please feel free to stop by my desk with any questions, comments, or concerns!

Jillian Begg

## Life Enrichment Coordinator

---

Wow I can't believe we are already halfway through 2022 , this year has flown by! I hope everyone is enjoying all the different activities so far this year and I encourage you all to keep sharing any ideas or wish to see any old activities that have been done in previous years return,. Remember, you got to speak up to see change.

This month there will be several outings, including, our; shopping trip to Crowded Closet (7th), riding along in the 4th of July Parade (4th), seeing the movie Elvis in Theaters for \$5 Tuesday (19th) and another fishing outing! We are also excited for Brown Deer to host Ride for Alzheimer's (16th).

July is National Ice Cream month so we will be seeing the Sweet Treat Cart several time this month and Austin will be hosting our ice cream sundae social (28th), here he will be making us homemade ice cream YUM!! Let's beat the heat with a sweet treat!

## Community Relations Coordinator

---

July is here and so is the warm weather that comes with it! We have an exciting month planned at Brown Deer Place with a community event on the 17<sup>th</sup>. We will have a car and motorcycle show right here in our very own parking lot!! This has been a hit in recent years, and I am excited to see the great turnout this year as well.

If anyone would be interested in showing new residents around the community, inviting them to dinners, activities, or just having casual chats, please let me know! As you all know it can be a scary feeling coming to a new home and having another resident show them around would be very welcoming! Swing by my office if you would like to help the new residents!

*Nick Dolphin*

## Cullinary Coordinator

---

Freedom, Fireworks, and Farmers markets. July is the time were celebrate being free. Fireworks are just around the corner an will light up the sky. Please take care of any pets that are afraid of loud noises and try and visit our farmers markets in the area. There are a ton of local produce and local vendors around are looking for support of the local community.

*Brandon Howard*

---

## Health Coordinator

---

July is filled with picnics, parties, games and fun, good times, friends and laughter in the sizzling summer sun. With that being said, please make sure you wear sunscreen and stay hydrated. Avoid being out in the sun for long periods of time and wear proper clothing to prevent overheating

*Christina Rotex*

---

## Maintenance Coordinator

---

Well sumer is officially, finally, here. With a cool early and mild spring, we've gone straight into the oven of summer! Please dont hesitate to let me know if anyone is having trouble with their air conditioners.

*Austin Vincent*

# happy national ice cream month!

I scream, you scream! We all scream for ice cream! If you haven't guessed, July is National Ice Cream Month. It's a perfect time to cool off with a scoop of your favorite flavor.

Like with other foods, the exact origin of ice cream is unknown. What we do know, however, is the origin of ice cream likely dates back to A.D. 54 to 68 during the time when Nero was Emperor of Rome. Evidence shows harvesting ice or snow, then flavoring it with honey or other flavorings to make ice cream. Alexander the Great supposedly enjoyed icy drinks that had flavorings such as honey or nectar, too!

The first appearance of ice cream in the U.S. is found in a letter by Maryland Governor William Bladen in 1744. Early presidents also had a liking towards ice cream. In fact, in the summer of 1790, George Washington spent approximately \$200 for ice cream. For a while, ice cream was only an occasional special treat, mainly for the rich.

In 1843, Nancy Johnson patented the hand crank ice cream maker. Eight years later, in 1851, Jacob Fussell built the first ice cream factory. The invention of mechanical refrigeration helped keep large amounts of ice cream cool. Further improvements and new inventions in technology made ice cream more available to the general public.

## Fun Facts

- Vanilla is the most popular flavor of ice cream.
- The ice cream soda was invented in 1874.
- It takes roughly 50 licks to finish an ice cream cone.
- California produces the most ice cream in the United States.
