JULY 2022

## Madonna News You Can Use

Happy July to you all!

We have been busy as bees this past month. On June 25, we held a successful art show featuring the work of our own assisted living and memory care residents, with all proceeds benefiting the Alzheimer's Association. If you did not join us that day, there is still time to buy a painting, perhaps by your loved one here at Madonna Gardens? You will be amazed at the quality and beauty of these pieces. We raised almost \$1000, one-half of our community goal. Please join us in our fight to end Alzheimer's by buying a painting or simply dropping a check into the box at the entrance.

Our community improvements continue: some for safety, some for beauty, and some for fun! On June 28, we began installation of fall sensors in resident apartments. These devices, mounted on resident apartment walls, not only immediately notify the care team when a resident has fallen, but can notify our team of individual changes in fall risk based on data acquired by the in-room sensors. Our landscaping renovations and interior painting continue and look wonderful. And for fun, we will soon be the proud owners of a large finch aviary, complete with colorful finches, décor and nests for future finch families. Our new "pets" will arrive in the week of July 11. Come by and see them!

Cheers,

Renée

# The Madonna Monthly

In honor of Alzheimer's and Brain Awareness month, Madonna Gardens hosted a special art show featuring paintings and works of art created by our residents. The proceeds from our paintings benefitted the Walk to End Alzheimer's. Thank you to all of our residents who contributed pieces to this show, to all the staff who set up the beautiful displays, and everyone who came to the event, purchased art, and donated to this great cause.

We dove into summer in a big way this month with a grand beach party, complete with splash pools, water sprayers, bubbles, balls, and games. Big smiles were sported under floppy sun hats. We plan to continue the fun in July with a delightful and delicious LUAU. Family members are cordially invited, and we hope to see you there!

A new program we'll see in July comes from the Naval Post Graduate School. Each month, a member of the Armed Forces will meet with our Veterans to share stories about tour experiences, provide support and comradery while enjoying coffee and refreshments. We appreciate and thank our veterans and military for their generous service.
