The Benefits of Socialization

When we look back on our lives, we often find that some of our most cherished memories are the ones that we share with the people we love. We live for the moments when we can have a heart to heart with a sibling or cry from laughter with a friend. These experiences remind us that we are loved, and make us feel connected to the world at large.

Simply put, the benefits of social interaction are as purifying to the mind as they are to the spirit:

- Interacting with others can offer a greater sense of belonging and purpose.
- There's no end to learning new things and gaining new insights from fresh faces.
- Feelings of compassion may become stronger as you share your stories and listen to the stories of others.

- You will be surrounded by people who understand how you feel.
- With the encouragement of others, you can be inspired to embrace your talents and pursue their passions.

There are plenty of ways to get involved - glean the benefits of socialization in our fabulous dining room, keep up with our

monthly activities calendar, and take part in our unique programming! Designed to tend to your holistic wellness, our *SoulFIT* program encourages socialization through Love, Joy, Healing, Peace, and Gratitude. Whether you're gleaning the benefits of socialization in our fabulous dining room Talk to any member of our team today to learn more!

Happy Birthday!

Executive Director Corner

Happy July, everyone!

It's been an amazing summer so far of cookouts, nights spent with friends, and of course, refreshing Happy Hours to help us cool down. In our childhoods, it was around this time of year that many of us started looking towards the dreaded return to the classroom – but here at our campus, July means that the party is just getting started.

The penultimate Theme Week of the year is already upon us, and this time, we're heading to the high seas! From August 21st – August 27th, we'll be embarking upon a

campus-turned-cruise with our "Beyond The Sea" Theme Week, bringing all of the amazing sights and sounds of being out on the ocean right here to our home. We'll have more information to share with you before we set sail, but in the meantime, don't hesitate to reach out to any member of our Life Enrichment team with any questions you might have!

Looking forward to seeing you aboard!

Yours in Service,

Joe Ermiger
