ST. PETERS

A modern interior space featuring a wall with a complex, low-poly geometric pattern in shades of green and blue. A large, curved, olive-green armchair is positioned on the right. In the foreground, a wooden coffee table with a unique, angular design holds a small potted plant and a stack of books. A white console table is visible on the left. The floor is made of dark wood. A semi-transparent green overlay covers the left and center portions of the image, serving as a background for the text.
