Transitions At Home accepts Medicare, Medicaid, private pay and other insurances. Please call us for details.

## Benefits of Home Health Care

Home health care keeps older adults who are recovering from illness, injuries, surgeries, etc. in their own home healing in comfort. Our team of nurses, physical therapists, occupational therapists, and home health aides promote safety, comfort, and convenience as they stay independently in their homes. Our team has been carefully screened and trained, and with oversight by your primary physician patients can see these professionals without even leaving the comfort of their home. The benefits of home health care can also extend to family caregivers as home health aides can help with bathing, dressing and other tasks. Please call us today for more information.

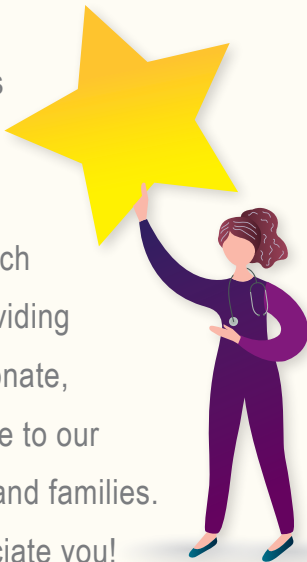

**Happy Birthday!**

**Jamie S., RN**

**April 21**

## Employee Appreciation Day

We would like to applaud all of our employees for going above and beyond each day in providing compassionate, quality care to our residents and families. We appreciate you!

Be sure to take a moment on March 4 to recognize your favorite staff member with a hand-crafted greeting or compliment, or by sharing a laugh or story together.

## Non-Medical Home Care

Did you know Transitions at Home offers affordable non-medical home care?

***Non-medical home care and companionship through Transitions brings peace of mind, helps individuals stay safely at home and helps reduce depression and loneliness, creating a better home life experience.***

Our talented, compassionate Caregivers can help you or a loved one with a variety of tasks including meal prep, bathing/dressing/grooming, medication reminders, safety monitoring, light housekeeping, laundry and linen changes, home organization, shopping and errands, transportation to/from appointments, companionship, and meaningful conversation. We will schedule a Caregiver based on your individual needs, with a minimum duration of one hour per visit.

### **Who are our Caregivers?**

Our Caregivers are local to the areas they serve. We have college students pursuing a career in the medical field, semi-retired individuals looking to supplement their income and working moms and dads looking for a little something

extra. We offer flexible scheduling with awesome benefits!

### **Who are our Clients?**

Moms, Dads, Grandparents, Neighbors. Anyone can benefit from our services!

Individuals recovering from orthopedic, cardiac, or other surgical procedures or conditions.

Families that are seeking help for mom or dad.

Some Clients need short-term help, others are seeking long-term - allowing them to remain in their own homes, longer.

Funding for our services varies and no medical referral is needed!

### **For more information on services or employment:**

Call Shunta at 608-437-5515 for services in Richland, Sauk, Columbia, Grant, Iowa, Dane, Lafayette, and Green Counties.

Call Kim at 262-723-2700 for services in Jefferson, Rock, Walworth, and Dodge Counties.

## A scholarship for rising stars

### **Application deadline: March 31**

Open to all WISH employees and high school students in IL & WI. Health care interest a plus but not required. Scan QR for info and to apply.
