

Infinity Rehab provides physical, occupational, and speech therapy services right in the comfort of your own home. Whether you are continuing your rehabilitation journey after a hospital or skilled nursing stay or trying to prevent falls or loss of function, our clinical care model ensures you get the benefit of the most current and tested rehabilitation strategies available. Infinity Rehab therapists are committed to helping you be in charge of your own health, challenging you where you need it most, and building a program that is tailored to your needs so you can sustain your improvements.

**Infinity Rehab
THERAPY SERVICES**

Aging adults want and need to maintain vitality wherever they live. Therapy can help! Many issues older adults face are predictable and can be slowed or reversed with early intervention.

Infinity Rehab is pleased to make outpatient therapy services available to you, conveniently brought right to your door! Our therapists are available to provide you with the ability to maintain the healthy and active lifestyle you desire.
