

Last month we had Grundy Felix Days. Our theme for that was the 80's. We had so much fun watching the grand parade and see the staff dress up and go all out is so much fun for us. We slao went up and watched the New Horizon band on the courthouse grounds. They gave us a few more dates of their performances so we hope to make at least one of them.

.'Sip' Excuse me I must stay hydrated. Man is it hot or what. Even though the residents stay inside most of the time. Keeping hydrated is very important especially in this heat. Drinking water is the best thing you can do for your

body.

Once again, a reminder. **MASKS are required** in our facility. I do see family still not respecting the rules. You will be asked to put on a mask. If you still refuse you will be asked to leave.

As much as the rest of the world is going back to normal the CDC is still requiring masks to help protect those at highest risk. (Aka your loved ones.)

Thank you to all that do understand and follow the rules, on behalf of myself and my staff we appreciate you!

ARLINGTON FUN FACT.

August has the last full moon of Summer. The Earl of Sandwich invented the sandwich in 1762 - August is now named as National Sandwich Month.

Hello August! Do you think we will have an Indian Summer? Will we start to get a hint of fall in the air? This year's weather has been different. It feels like our usual patterns are falling at different times.

I was hoping by now that we would be winding down from the Covid protocols and the illness. Seems like it has reared its ugly head and it still a continuance. I thank you all for still following the rules of checking in at the doors, taking your temperature and wearing a mask. It has greatly protected our residents from getting the illness. We all look forward to the day when we can "get back to normal" whatever that may be.

We are so happy to have Katelyn back after her leave to love on her new baby boy! I'm sure she will be happy to share pictures with you.

Glenda Billerbeck has decided to retire from her position as Culinary Coordinator. Please welcome our new Coordinator and make them feel welcome.

It's time that some of our staff will be returning to college. Staff travels to them and we wish you the best in your continuing education.

Here's to a happy August.

Wayne Lafrenz Other than the 8th month of the year, I was kind of lost trying to think of a topic so a quick check of the internet and voila look what I found! 5 August (First Friday of August) -

International Beer Day

International Beer Day is observed on the first Friday of August. Originally it was started in Santa Cruz, California in 2007. Is it just me or do you feel like Beer Day should have started somewhere other than California? Like California is more for Wine Day! I feel like the mighty Midwest is more suited for Beer Day! We all know them country boys really like an ice-cold brew!

7 August (First Sunday of August) – Friendship Day

Friendship Day is celebrated on the first Sunday of August. So, happy Friends Day to both of my friends! That's right, I have two friends!

20 August - World Mosquito Day

World Mosquito Day is observed on 20 August every year. Something about this day just makes me itchy!

26 August - Women's Equality Day

This day commemorates the passage of the 19th Amendment to the U.S. Constitution which granted the women right to vote. In 1971, the U.S. Congress officially recognized August 26 as Women's Equality Day. I had to include this because of the many women I work with. ALL of them superior to me! Had to say it! Had to!

26 August: International Dog Day

It is celebrated on 26 August to recognize the number of dogs that need to be rescued each year. Everyone has a canine story to tell! The cliché says that man's best friend is a dog. Refer to August 7th! *Wayne Lafrenz* -30-

We are in the process of Training our new Culinary Coordinator, so their will be an article from him in next months newsletter.

August, Dog Days of Summer!! Its Hot outside. We have had to watch the weather and plan accordingly. We encourage everyone to drink and stay hydrated. That is not always an easy task

to do. For the month of August we have the lowa State Fair. Now, we may not get down to Des Moines, but we will for sure have things fair related. Our theme for August: Destination State Fair. School also starts up in August. So please be aware of the kids that are walking to and from school. I have my 9 year old step son who is so excited to have school start up and to tell others that he is now in the 3rd grade!! So grown up and he is excited to be back with his friends and playing all his favorite sports.

Next month we will celebrate National Assisted Living week. Keep your eyes and ears open for all the fun activities we will have planed for that week.

We went back to the 50's one afternoon and sat outside having old time floats, and we talked about what we were doing back then. Some were raising children, graduating from high school, and some were getting married. The fun things to do were going to a dance hop, drive in movie, and hitting the local food joint. You know the one where they brought your food to your car and they put it on your window. So, we pretended to pass the trey and not spill the food.

Our Drive in movie had to be moved inside, due to it not being dark enough outside and we just cant stay up that late anymore!

Pat Hauser, took an afternoon and went up to the Grundy Co Fair. She really enjoyed the art gallery and the animals. Can you guess her favorite?
