Join the Gang for some fun!!

Boy was July a hot one!!! We took advantage and had lots of cool treats like ice cream, who doesn't like ice cream :-)
We had the "Piano Man" come play some tunes for us in July and the residents had a blast. Music is always a hit here at Lawton Senior Living.

The ladies really enjoy being pampered on a weekly basis and Michelle does a fantastic job on their nails.
A couple of the ladies even rolled up their sleeves toward the end of the month and got to work shucking corn and reminiscing and then the kitchen staff cooked it up for supper. It was a great month!!

Destination: State Fair

The first week in August is the local county fair and we can't wait to go see the animals and maybe eat a funnel cake :-).

This whole month we've got lots of fun and games planned for the folks living here at Lawton Senior Living.

Please watch for next month's pictures and stories about all the fun we had !
