## FAREWELL INTERNS... AUF WIEDERSEHEN

June 8th, 15 young people started an eight week journey to be mentored by the Lakeside staff as to what the day to day operations are in Assisted Living. The Future Ready Iowa Summer Interns were here and ready to learn and they sure did learn. With

the blink of an eye, our interns are ready to leave the nest and venture onto their next adventure. You may see some of the interns as new employees as many were offered positions here at Lakeside. With that being said, friendships have flourished with the younger population, and all of us are excited to see what the future brings to our young friends. June 8th, they started as interns, July 29th, they ended the program as friends. Auf Wiedersehen, adios, and god speed.

**OPEN FOR TOURS**

Innovation | Integrity | Compassion  
Commitment | Expertise

## NEW CNA'S AT LAKESIDE

This summer marked the launch of the first CNA (certified nurse's aide) class taught at the Lakeside Village. Kris Marlow, RN BSN instructed the program

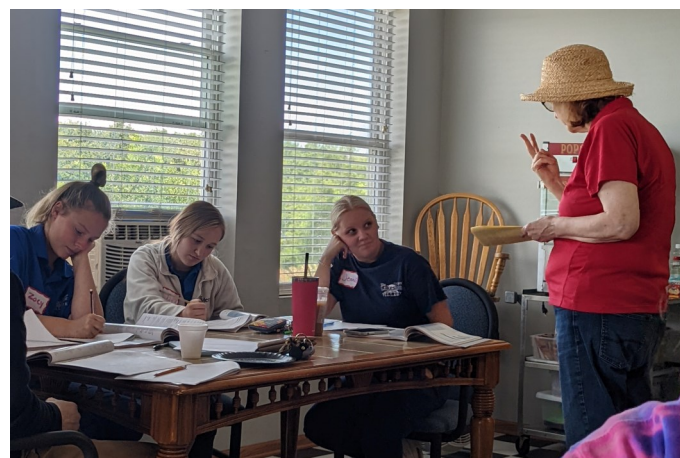

with 10 students. The students were able to practice scenarios, interact with the residents and learn from partnering entities about what being a CNA is all about.

## ServSafe Came to Lakeside

Lakeside Village was the host to the Iowa State Extension office's class for ServSafe. This provided a study session and a test for certification to be a ServSafe Manager. ServSafe provides training to individuals for safety in food service. Many interns were also in attendance along with other Lakeside Village staff members.
