

The Benefits of Lifelong Learning

Being mentally active is a sure-fire way to help your brain stay healthy and alert. Whether it's learning a new language, dusting off your math skills, or immersing yourself in a new culture, the benefits of keeping our minds engaged is just as beneficial to the brain as it is to opening our hearts.

According to the National Institute on Aging, research around these subjects has shown that they each have a positive link to our cognitive health:

- Keeping our physical health in check
- Helps manage high blood pressure
- Eating healthy foods
- Being physically active
- Keeping our minds active
- Staying connected with social activities

- Managing stress
- Reducing risks to cognitive health

Our campus offers opportunities to stay on top of each of these subjects – but our *Lifelong Learning* program directly tends to your mental wellbeing by providing a cooperative educational experience. Enrich your mind with courses and

activities including, but not limited to: Art, Computers, History, Humanities, International Studies, Languages, Music and Performing Arts, Psychology, Social Studies, Recreation, Science, Health, and Math at least one time per week.

Talk to a member of our team today to learn about how you can get started!

Happy Birthday!

Live A Dream

We fulfilled a campus level dream for Robert and Linda. They were so excited to wear their new Elvis shirts to see the new Elvis movie!

Executive Director Corner

Welcome back to the ED Corner!

There's no doubt we're in August now – with some of the hottest days of the year reminding us to stay cool, stay hydrated, and stay healthy. Talk to any member of our team about how you can cool off with our indoor activities, and we'll be happy to direct you towards our many upcoming events! Speaking of which...

Our latest Theme Week kicks off this month, with "Beyond The Sea" lasting from August 21st through August 27th. Get ready to climb aboard as we embark upon a campus-turned-cruise adventure, filled with 6 straight days of themed activities, decorations, and of course, themed meal options.

As always, please don't hesitate to contact any member of our Life Enrichment team with any questions you might have. We'll make sure you're ready by the time we call "All Aboard"!

Finally, please join me in welcoming the many new faces to our community. You may have already introduced yourself to some of our new residents, but if not, be sure to greet them with a smile, and encourage them to participate in all that we have to offer. Just by being yourself, you can go a long way in making someone feel at home.

Let's have a great month!

Yours in Service,
Griffin Bilskie
Executive Director

WORKING AT THE CAR WASH

Our Management Staff spent an afternoon washing employee vehicles.

More from WORKING AT THE CAR WASH

Out and About Our Just The Gals Group took a morning trip to a local coffee shop for some great conversation and delicious treats. You're never too old to have your first Mocha Frappe!
