## Visitation Guidelines

Our staff will assist you upon entry. All staff and visitors must complete covid-19 screening, hand sanitizing, and wear a mask (provided) at all times.

## Facility News

### Fundraising!

Bring in your East Troy Piggly Wiggly receipts- Piggly donates a portion spent to us here at the Manor. Simply drop them into the box in our lobby.

**Save the date:** Saturday, July 16, 10am-2pm: several of the manor employees will be in the Piggly Brat Hut, in the East Troy Piggly Wiggly parking lot, selling delicious Brat's to raise money for East Troy Manor.

## Activity Highlights

Our viewing of the 4th of July parade was a great time! We had sack lunches and a great viewing area thanks to St. James United Methodist Church.

Our residents (early-birds and night-owls) are all enjoying our puzzle area! Soon you'll see bright pretty jigsaw art on our walls.

## Job Postings

## Success Story

We recently completed rehab with a 73-year-old male. He was riding on his motorized tricycle when his foot slipped off the pedal resulting in a tibia/fibula fracture.

He underwent intermedullary nailing, then suffered a heart attack while in the hospital and underwent a left heart catheterization. Upon admission to East Troy Manor, he had poor functional activity tolerance, weakness, and a toe touch weight bearing restriction to his left leg.

Due to peripheral neuropathy, he did not have any feelings in his lower legs. We used a sliding board for all transfers to allow his leg to heal. As his strength and endurance built, he was able to stand and pivot to a wheelchair using a walker. Soon he was given a walking-boot and was able to begin walking with a walker.

During the course of his stay with us he progressed to walking independently with his walker, as well as showering and dressing alternating sit to stand.

After 23 days, it was rewarding to see him go home with the support of his wife.

## Wishlist

Our residents are into art! We have an art therapist, Tanya, who is doing a great job bringing out our residents' creativity. It would be nice to have an expanded line of canvases to paint on (up to 16x20 inches), a full range of acrylic paint colors, and many various sizes of brushes.

## Events

Our residents absolutely love the rides (two Thursdays a month) with Cycling Without Age. They take 90-minute tours of the lovely East Troy neighborhoods and even stop at our local coffee shop.

The Little Prairie Elementary School of East Troy expert readers visited and read aloud their favorite stories. Our new microphone worked well, and the kids were, of course, incredibly charming and fun.

Someone you should know...Sam S., our newest activity aide and recent Mukwonago High School graduate. Sam aspires to be an elementary school teacher. She likes to create all kinds of art and owns a Great Dane and an Australian Shepherd.

Two of Sam's favorite things- pizza and the film Coraline. Welcome, Sam!

Our resident Al K. celebrated his 90th birthday with a great big gathering of family, friends, and many thoughtful presents.
