A big 'thank you' to our housekeeping staff

Sept 11-17 is National Environmental Services Week which is a time dedicated to recognizing the efforts of hard-working housekeeping staff across the US. True warriors of any building's operation, housekeeping and environmental services staff demonstrate extraordinary teamwork and management that's essential to our facility. They keep our spaces clean and enjoyable for our residents and staff.

Our housekeeping team implements cleaning measures established in 2020 to reduce the likelihood of infections in our facility by making sure rooms and common areas are cleaned and sanitized using CDC and local health department guidelines. We're taking this time to appreciate and celebrate our dedicated housekeeping staff for the important part they play in keeping our residents and staff healthy and safe.

Letter from our Activity Director

Happy September everyone. Summer weather is still here. We are all hoping that the warmer weather continues so we can spend as much time as possible outdoors. We've been out playing balloon ball, trivia or just reminiscing by the pond or the patio.

Our residents are enjoying our picnics on the patio. We have had hotdogs, brats, chips, salads, beans, lemonade, and ice cream treats. Full bellies and a fun time. We will continue with the outdoor picnics through the rest of the summer.

We have had many fur visitors visiting us lately, turkeys, cranes, we've had 2 momma deer and

4 babies hanging around our yard, so exciting to see the babies. I guess that answers the question as to why Teresa's tomato plants look so bare.

Our activity department continues to be busy with playing games and working on crafts. One of our activity aides (Gus) is always coming up with new designs for our ladies' fingernails. Thank you, Gus, for making it so much fun for everyone!!

Fall is near, spring is far. Doesn't matter where you are. Colors are falling from the trees. Enjoy the pretty autumn leaves.

Resident of the Month

Mick B. is a pleasure to have in our home.

Those who are from the Edgerton area and attended school here might remember the teacher everyone called Mr. Burr. Mick is so kind to everyone and always greets us all with a big smile. Mick has some great stories to tell, he enjoys sharing stories of his younger years, the adventures he and his wife Char would have together. Mick is always on the move, if he's not on one unit he's on another visiting with someone. Mick's family will often take him out either for just a ride in the car or to go get a sweet treat from somewhere. Thank you, Mick, for being part of our ECC family.

How exciting!! Congratulations to all!!*

We decided to have our first outdoor picnics indoors, even though the weather did not cooperate a fun time and a great meal was had by all.
