SEPTEMBER  
2022

Where your family becomes part of our family.

Skilled Nursing • Respite Care • Rehabilitation Services

## A big 'thank you' to our housekeeping staff

**Sept 11-17 is National Environmental Services Week which is a time dedicated to recognizing the efforts of hard-working housekeeping staff across the US.** True warriors of any

building's operation, housekeeping and environmental services staff demonstrate extraordinary teamwork and management that's essential to our facility. They keep our spaces clean and enjoyable for our residents and staff.

Our housekeeping team implements cleaning measures established in 2020 to reduce the likelihood of infections in our facility by making sure rooms and common areas are cleaned and sanitized using CDC and local health department guidelines. We're taking this time to appreciate and celebrate our dedicated housekeeping staff for the important part they play in keeping our residents and staff healthy and safe.
