

Living the Trilogy Lifestyle

At Trilogy, we believe that each day should be more special than the last. That's why our lifestyle offers a variety of different ways that you can connect, celebrate, and make the most out of life with the people in your life that matter most. Here's how.

Campus Retreats

Taking place at least once a year, Campus Retreats offer a week filled with arts and crafts, unique menu options, and one-of-a-kind programs designed to provide you with the creative outlets that Trilogy family members love and deserve. Whether we're setting up an indoor campsite or getting a Tailgate ready for the big game, Campus Retreats promise to be a unique experience that you'll never forget!

Summer Field Trips

Walk through history, get up close and personal with wildlife, or just go for a stroll

through the park. However it is you enjoy spending your time, our summer field trips will have your days filled with trips to museums, zoos, and other attractions that you'll enjoy with friends and family!

Campus in Color

A celebration of the culture behind our care, Campus in Color is an annual event which takes place

on the grounds and in the garden areas of our campuses. Tending to your inner horticulturist, Campus in Color invites you to participate in the growth of our gardens while you enjoy the sunniest days of the year so far.

Interested in learning more about how you can get involved? Talk to any member of our team today. We'd love to hear from you!

Happy Birthday!

Executive Director Corner

Welcome to September, everyone!

I hope everyone had

a great time at our "Beyond The Sea" Theme Week! Our team put on an incredible show - from Culinary with the delicious She Crab Bisque to Life Enrichment with all the amazing cruise décor. Thank you to everyone who was involved, and thank you to everyone who came out!

This month is **Healthy Aging Month** – a time for us to celebrate keeping our hearts strong and keeping our minds free from worry. Through our Vitality program, we're proud to offer wellness activities such as yoga, Tai Chi, and strength

training up to three times a week. And if you're thinking about making a change to your diet, our chefs are always receptive to feedback, and will be more than happy to adjust a meal based on your unique needs. Talk to any member of our team to learn more!

As we begin transitioning away from summer, we'll be letting you know about events, community outings, and opportunities for socialization that you've come to expect from our campus lifestyle. Stay tuned for more information as we head towards the fall!

I hope you have a great month!

Yours in Service,
