### Let's Taco 'Bout Roseville Commons Open House

September 29<sup>th</sup>  
Taco Bar & Margaritas  
Entertainment with  
Tom & Sharon Woodall

**Join us for the fun!**

Dear Residents,

We all made wonderful memories this summer including our Father's Day Slot Car Races in June, our Casino Gala and our first Open House in July, and a Wine Social in August!

I don't know about you, but I am looking forward to the fall season and all of the wonderful things this season brings! Fall officially begins on September 22, 2022, and I look forward to nature changing its colors, cooling temperatures and darkening nights.

In September, we will recognize all the hard-working Roseville Commons employees by giving them a day off to celebrate the Labor Day holiday. Did you know that Labor Day pays tribute to the contributions and achievements of American workers and is traditionally observed on the first Monday in September? This year Labor Day falls on Monday, September 5<sup>th</sup>. This holiday was created by the labor movement in the late 19th century and became a federal holiday in 1894.

Also in September, I look forward to holding our second Open House on Thursday, September 29<sup>th</sup> from 2:00 p.m. to 4:00 p.m. Our theme for this open house is "Let's Taco 'Bout Roseville Commons!" We plan to serve you a fabulous taco bar, margaritas and of course, entertainment is scheduled as well!

Our new Resident Dining Council will be meeting for the first time in September. Eight residents have joined the council and they will be meeting once a month with Chef Chris and myself. We will go over menu suggestions, recipe ideas and even do some taste testing! The members of the council will change every 6 months, so please let us know if you have interest in being part of our Dining Council.

### Kitchen Corner

Hello Residents,

Away with HOT summer weather and in with COOL fall weather... one of my favorite seasons of the year. Autumn is the season for all things cozy and warm. With the change of the season, fall brings new in-season produce! We are very excited in the kitchen to transform our menu from summer related items to more hearty and robust brunch & dinner fall inspired dishes. Continuing with our monthly National Food holidays we have some fun days coming up this September. We have National Baby Back Ribs Day, Cheese Pizza Day, Hot Dog Day, Linguini Day, Monte Cristo Sandwich Day, Cherries Jubilee Day & Mulled Cider Day.

We have added a Dining Room HOST to every Brunch and Dinner service. Please be patient and wait at the Dining Room entrance door to be seated. We understand some residents prefer to sit at specific tables. If these tables are occupied or are just becoming free when you arrive, please wait for the waitstaff to get your table ready, so that we can give you the dining experience you deserve. We ask that you please be patient in waiting for a table as the Dining Room is getting more and more occupied during our busier hours (Brunch 11a.m.-12p.m.) & (Dinner 4:15p.m.-5:30p.m.).

We all appreciate your continued positive attitudes while we create the best dining experience possible.

Thank you,  
Chef Chris & Staff

### Marketing Moments

Dear Friends,

As September arrives, our thoughts begin to turn away from the heat of summer and toward the changing of the season. Even though we will still have more than our fair share of hot days before the eventual cool down, we can begin to look forward to all the changes and special moments as the year shows its more temperate side.

Even as I fondly remember the Grand Opening BBQ, the Ice Cream Social, and delicious Open House appetizers served on our sunny patio, what I will truly enjoy is saying farewell to the consecutive 100-degree days. I can't wait for the leaves to change, the air to cool, and for the melancholy moods of fall to wind their way to our front door.

As the season shifts, it also makes me consider the changes that we face together. Our community is filled with people who, every day, encounter new joys and new challenges. I hope that your joys are plentiful and shared among friends, and I pray your challenges are surmountable and buoyed with love and hope.

Drew

## Living the Sweet Life

Milton Hershey, born on September 13, 1857, is remembered for giving the world its most famous chocolate bar. But Hershey was much more than a chocolatier. He was a passionate philanthropist who built an entire community for the benefit of his workforce.

Hershey failed at two confectionary businesses before finally moving to Lancaster, Pennsylvania, where he started making homemade caramels. He had learned the key to making delicious caramels in Denver, Colorado, and fresh milk was his secret ingredient. When he secured a huge order to sell his caramels in England, Hershey was able to pay off his debts, buy more equipment, and expand his business to chocolate.

Hershey had perfected his recipe for caramel, and now he concocted his own recipe for milk chocolate. In 1903, he built a factory that employed the latest technology and mass production techniques. He could now sell his

chocolate bars nationally, and his Hershey bars became the first nationally marketed chocolate bars in America.

Just as Hershey understood the importance of developing his own recipes, he also understood the importance of nurturing his workforce. He established the Hershey Industrial School in 1909, a private boarding school that offered educational opportunities and work training for orphans. This was the first step in building an entire community around the factory that included housing, businesses, churches, education, museums, and even a public trolley system. Buildings enjoyed the luxury of full electrification, indoor plumbing, and central heating. Hershey gave America sweet treats, but he gave his employees something more: a sweet opportunity to live the American Dream.
